Directions to Jack Brook Horse Camp

Highway 84 from Woodside through La Honda. Turn left at Pescadero Road, travel past Sam McDonald Park, go one mile to Horse Camp entrance on left, watch for Horse Camp sign on right side of road just before the camp road gate. Be aware of the entrance/exit rule and timetable (See Note Below). Suggestion to newcomers: some people unload at the Sam McDonald parking lot and pony their horses up to the camp and drive truck & trailer into the camp empty because of the road grades. Also, be prepared to take a different route if Highway 84 between Woodside and Skylonda Corners is under construction. Take Highway 92 to Highway 35 (Skyline Blvd.) to Highway 84, turn right and go west to La Honda, etc.
