**SAN MATEO COUNTY HORSEMEN'S ASSOCIATION
PRESIDENTS' RIDE**

Webb Ranch began in 1922, under the guidance of George Webb and his wife, Florence. George developed fields of strawberries, blackberries and raspberries, and delivered the produce to the local markets. The Webb's 5th generation are currently living on and taking part in daily operations of the ranch.

Horse boarding to the public began in 1960 and has grown to our present-day stable of 250 horses! Generations of equestrians have enjoyed the Webb Ranch and continue to do so today.
