EDGEWOOD PARK

CLARKIA TRAIL

CLEAN-UP DAY

AN OUTDOOR ACTIVITY FOR THE WHOLE FAMILY

Wednesday, June 20th, 10:00 a.m. to around Noon

Enjoy a beautiful morning in the Park

The San Mateo County Horsemen's Association is the proud sponsor of the Clarkia Trail, named for the pretty wildflower, in Edgewood County Park, Redwood City. Twice a year, we clean and repair the trail for equestrians and hikers. If you care about the environment, join us for our semi-annual trail day.

“Think globally and act locally.”

Park Ranger Dylan Hofflander will provide tools and guidance. SMCHA will have snacks and water. We will be filling gopher holes and trimming overhanging brush.

Meet at the West trail entrance on Canada Rd. From 280 take the Edgewood Rd exit West. Go left on Canada Rd. Continue under the 280 overpass. Go approx. .6 miles and park on the right hand shoulder where you see the SMCHA sign.
