FOOD COMMITTEE

One way for our club to bring in some extra money which hasn't been done in the recent past is to prepare and sell food at our various functions. This year we will be doing that.

I have some volunteers; so far they include Irma Goldsmith, John Buchan, Lee and Dan Bobay, Noel Ruhberg, Bob O'Neil, Terri Longworth, Gary Sinclair, Bob Hopper, and Pat Grady. That may seem like quite a lot of help but with 9 clinics and 8 shows it is not enough unless we asked them to work constantly. With a much larger group to draw from then each person would only have to devote an hour or two at one or two functions and it wouldn't be so much of a chore.

So, I am asking for more volunteers from our General Membership. The dates we have activities planned for which we will sell food are: June 21, June 22 (evening), June 28, June 29 (evening), July 6 (evening), July 9, July 13 (evening), July 20 (evening), July 26, July 27 (evening), August 3 (evening), August 9, August 10 (evening), August 17 (evening), September 2, September 10, and September 16 & 17. The evening dates are for the Western Riding Clinic and would involve selling food for about one hour (from 6:00 to 7:00 p.m.).

We need lots of volunteers, so please call me if you can help on one of these days.

Cheryl, 368-5415

## Trail Work Saturdays

Trail Work Saturdays are an effective method of trail rehabilitation. The past series of work days have already accomplished considerable reusable trails and development of new trails. The latest project was the clearing out of the Portola Road trail in May. The next project will be the improvement of the Edgewood Road trail from 280 to Canada Road. It is amazing how much a working crew can do in just a couple of hours. Workers come from all groups. Hikers, horsemen and persons interested in a well-defined system of trails in San Mateo County can produce usable trails for the benefit of all. The next Work Saturday is scheduled for JUNE 10th. Workers are to meet at Edgewood Road and Canada Road at 9:30 a.m. Bring your lunch and working equipment of shovels, hoes and mattoxes. All members of the San Mateo Horsemen are expected to make a contribution of a work day this year is the claim of President Kreuzer. If you can't come personally - make a phone call to a person who can work in your place. Please go to your calendar now and mark the date of Saturday, June 10 at 9:30. How about checking

## June General Meeting

Wednesday evening, June 28, marks a very interesting and informative meeting about polo to be held at the Mounted Patrol Grounds in Woodside. We'll start things off with a Kentucky Fried Chicken box dinner at 6:30 (make reservations early with Peter Primiani) followed by a program featuring our local polo buffs (Faye Humphries and friends). Special feature will be the appearance of one of our local trick stunt riders. Nominal cost of only \$2.00 per dinner is small for the enjoyment to be had by all. Remember - call Peter at 366-7184 evenings by June 26 to reserve that Kentucky Fried Chicken dinner.

off the second Saturday of every month right now? Future work days will be in the north county and in the parks.

## Ninth Year For Western Clinic

THE WESTERN RIDING CLINIC, sponsored by the San Mateo County Horsemen's Association and Mounted Patrol, will begin its ninth year of summer sessions with nine weekly Western Riding classes starting on Thursday, June 22, 1978.

These weekly classes are for both Junior and Senior SMCHA members, and will be held at the Mounted Patrol Grounds in Woodside. To enroll, go to the Announcer's Stand on the Patrol Grounds and present your SMCHA membership card (for new members who wish to enroll, SMCHA membership cards will be available at the stand); there will be a weekly nominal fee of one dollar. And, of course, bring a horse to ride - a mare or gelding.

Plans are to schedule four classes each evening to accommodate those students, both Junior and Senior, whose training needs range from Beginners through High Intermediates. Under professional class instruction, these classes in good horsemanship will emphasize the training of the rider. Juniors will meet from 5:00 to 6:15 p.m. and Seniors from 6:45 to 8:00 p.m.

Plan to enroll early before classes start, if possible. Newcomers are very welcome to participate with present SMCHA members. Come, and bring a friend!

Food, to be prepared and sold by members, will be available during the break between Junior and Senior classes.

# '76 CAVALRY BRIGADE NEWS

On June 4, two weeks after this article is written and around the time you receive your SMCHA magazine, B troop will have ridden in the Ride-a-Thon in Huddart Park. You have received your sponsor sheets in the newsletter and I hope you have your sponsors and have made the ride. Last year the Cavalry Brigade participated, movies were taken, and a scene was placed in our first motion picture film. This year the Brigade has helped sponsor the event, helping with the publicity, hosting the March of Dimes Poster Boy, Miguel Lopez, and helping with the chuck wagon lunch.

Miguel is five years old. He visited B troop at their headquarters to take publicity pictures and spent the day riding the horses and participating in the driving class.

Now that the chuck wagon is finished, a class has been set up to instruct members of the Brigade in team driving. Each member is being taught about care and maintenance

Pvt. John Korges looks on while Miguel feeds Argonot.

Left Pvt. Jenny Bedrossian with Lt. Gianotti giving Miguel a riding lesson on "Candy" the pony.

of the harness, its use and how to hitch it up on the team, and the driving. When the horses are ready they will be put on the stage coach and the older members will be instructed with the stage. The chuck wagon is now in use. Being a self-contained cooking unit it is being used on rides and the like. It is being used in our second motion picture and is working out very well.

Our motion pictures are being made for television and scenes have been shown on local TV shows. Arrangements are being made for other programs and with 16 mm color sound film the Cavalry has become very desirable on these shows.

More movie equipment has been obtained and now sound can be put on the film in accordance with the TV

appearances. This will make the programs much more interesting.

Work has begun on our second supply wagon and the sides are being made to fold down so it can be used for hay rides when it is not in use for the Cavalry.

The Brigade has raised money for many charity organizations and by soliciting funds from horseback they have raised a good deal. They are now making plans with the March of Dimes committee to have a Ride-a-Thon using the stage coach and inviting other stage coaches to participate. This ride will start in Woodside and go to San Francisco using the route taken by the De Anza party during the Bicentennial.

Remember juniors, your meetings are held each month at 7:00 before the General Meeting. The includes the outdoor meeting in June. Try to attend and help with plans for your activities. We need your help and support and are sure you will enjoy the meetings.

## Jr. Rodeo Queen

It's that time of the year again, girls! Our Woodside Junior Rodeo on July 4 is coming up fast and so is our Rodeo Queen Contest. And YOU could be our Rodeo Queen!

The contest rules and qualifications are similar and as easy as last year. There are only three rules by which the Queen and her court of four Princesses, two of which are junior Princesses, will be chosen.

First, you must be female who rides western. You must be 18 years of age or younger (no minimum age limit), and you must sell 20 Junior or Senior Rodeo tickets.

After you sell 20 Rodeo tickets, you automatically become a semi-finalist. You will then be judged 60% on Horsemanship and 40% on Personality and Appearance by a competent Rodeo judge.

Time and place for judging will be announced later. For information or tickets, please call or write to Irene Auger, 239 Sequoia Ave., Redwood City 94061, (415) 369-9209.

## Junior Overnight Ride

Juniors, don't forget to mark your calendars for a great weekend on July 29 and 30. That's the weekend scheduled for the Overnight Ride. Plans are currently being formulated. It will start someplace in Woodside (location not yet set) and the ride to the Morshead property in Portola Valley will be through beautiful trails and will take about 4-5 hours. Other junior clubs are being invited so this should prove to be a great and fun event. All details will be in the next newsletter.

# TRAINING WITH PSYCHOLOGY

## riding with AWARENESS

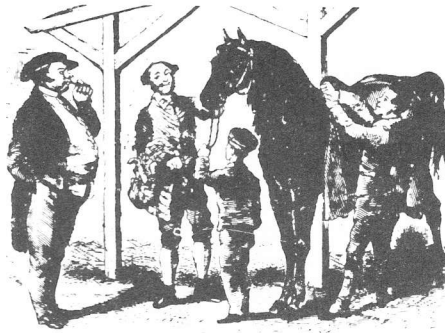

Respect for the intelligence of the horse will be the feature theme for two, one-month long courses in horse training and riding, August 1-25, and November 7-December 1, in Carmel, California.

Taught by internationally recognized horsewoman Linda Tellington-Jones, and assisted by Jim Forderer, the courses will be two clinics in one, a training clinic and a riding clinic. The clinics will be divided into four, five-day sessions, and participants may come for anywhere from one week to one month.

The training clinic will be for starting young horses, with Linda Tellington-Jones. Participants will start with an unriden horse and at the end of the four weeks have a well trained, quiet, and safe mount. The clinic will cover a wide variety of subjects involved in training and handling horses, and will include riding lessons to develop a balanced seat, physical therapy for the horse and working with problem horses.

In addition to the training course there will be a riding program for those people interested in improving their riding and horse management skills. The riding program will be taught by Jim Forderer, a well known teacher, lecturer and judge.

Throughout, the emphasis will be on understanding the mind of the horse and communicating with the

horse in a way that enables the horse and rider to be relaxed and comfortable, and to enjoy working together. Both the training and riding programs will be taught in a style designed to encourage the students to develop a relaxed confidence. The courses are

organized to allow the beginner as well as the experienced horseman to learn.

Ms. Tellington-Jones is the former Co-Founder and Co-Director of the Pacific Coast Equestrian Research Farm and the former Co-Director of the Pacific Coast School of Horsemanship. She has been training horses for many years and has refined her experience into a method that she will be teaching at these clinics. Jim Forderer has studied with Linda Tellington-Jones and has been the head instructor at the Pacific Coast School of Horsemanship. He has taught horsemanship and riding and is a nationally known teacher and dressage judge.

Those interested in more information may contact: Roger Russell, P.O. Box 4332, Carmel, Cal. 93921. (408) 624-5076.

## ATTENTION: Saddle Seat Riders!

It's been two long years since saddle seat classes have been on the schedule of a San Mateo County Horsemen's Association English show, but September 16 will see the end of this particular drought.

Besides hunt seat classes, the schedule for the SMCHA Amateur/Junior English Show will list 10-11 saddle seat classes, including equitation, pleasure and model mount. An award will be given to the high point saddle seat horse/rider combination.

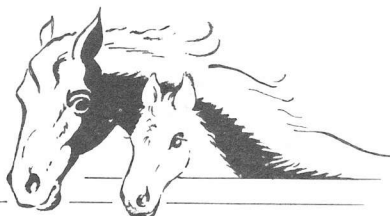

To encourage exhibitors to participate, a special "SMCHA Showmanship Award" will be presented to a saddle seat rider on the basis of: neatness, cleanliness and grooming of horse and rider; rider's personality and sportsmanship; and rider's ability to show his/her horse. The rider must enter at least two classes

(ribbons won will not be considered in making the award).

All you saddle seat riders mark September 16 on your calendar - - this is one show you won't want to miss. SMCHA guarantees a good judge, nice awards, and the pleasant atmosphere of the Mounted Patrol Grounds in Woodside.

Oh yes, if only a few saddle seat riders enter this show, it will probably be the last SMCHA show with saddle seat classes. If a lot of you come, you make it possible for us to add even more saddle seat classes next year.

If you want more information or just want to show your support for saddle seat classes, write Sherry Grantz, 2992 Millar Ave., Santa Clara 95051. Show premium lists will be available early in August.

# News From Rancho Viejo

Rancho Viejo is owned by Harry and Joanie Cohn. The trainer and manager is Lew Silva; he is assisted by Marilyn Maggi, who takes care of all the showmanship and equitation lessons with the youth riders.

Horses in training cover a variety of areas. In the cutting and cow horse category we have Tonto's Shady Boy, who is owned and shown by Kris Hanson of Daly City. Kris is 15 years old and plans to win the 1979 PCQHA youth cutting year-end award; nothing like a positive attitude! Shady will be shown by Lew at the World Championship Stock Horse competition in June.

Debra Wertman and her trail horse Lightning Sage did extremely well at the recent Junior Grand. Deb and Sage placed fourth in their age group and came back to win the 14-17 Championship Trail Stake. In '77 Sage was All-Around Reserve Champion Trail Horse.

Bucki Nolan, who recently graduated from the junior category, has put her 1978 snaffle bit entry in training with Lew. The filly's name is Delaban's Time; she is by a thoroughbred and out of the champion halter horse My Delaban. Bucki is also breeding her great stock horse mare June's Little to the Cohn's new stud D'Oro King. Both of the Cohn's studs are finding them-

selves in big demand. Hug and Tuff can barely find the time to leave the ranch to show his lovely body in quarter horse halter classes; his ladies keep him too busy!

Patti Cooley's 3 year old mare, Marti Star Three, will be going to the Oregon Pleasure Horse Futurity in November. Patti has only started showing this year and has proved to be a dedicated hard working young lady. She and Marti have only shown in showmanship and halter and will soon make their debut in performance.

Ann Carrier and her young horse, Monterey Jack, are making their mark in both the open and quarter horse shows. Ann and her parents recently moved here from Southern California to San Jose and are finding the adjustment a pleasurable one.

Other new juniors to our barn are Karen Oberlin and her great horse Midnight Hour; and Sherie Lonergan who is in-between horses at the present time. Little Carolynn Crowley made her debut to the show ring at the San Mateo Mounted Patrol show. She rode the Ed Hoffacker's Little C's Bull in the 7 and under class and walked out with her first blue ribbon.

Carolynn's grandparents' horse, I'm The One, placed second in the very tough novice pleasure class at the same show. This was the mare's third time in the show ring and she made herself a star.

Kathy Cromwell rode the Hoffacker's filly Thirsty Hobby to win the trail - adult amateur to ride. Bucki Nolan showed Lightning Sage to nice placings in warmup, adult amateur, and the stake trail classes.

The coffee pot is always on at Rancho Viejo and the welcome mat is always out. Please feel free to visit our beautiful facilities and say hello.

## Good Horsekeeping Tips

### PAMPER YOUR HORSE

A cheap, easy way to wrap a horse's legs is to use disposable diapers under your wraps instead of expensive cottons. Pull the diaper apart, wrap it around the leg, and then put on the leg wrap. After use, the diaper can be thrown away.
